

SERVICES TO KEEP INDUSTRY TURNING

Ri Revolution
INDUSTRIAL

Services & Capabilities

Field Capabilities

- ▶ Welding services including SMAW, GTAW, GMAW and FCAW
- ▶ National Board Certified for welding on pressure vessels (R-Stamp)
- ▶ Large plant process equipment installations
- ▶ Overland conveyor systems
- ▶ Large or highly technical rigging jobs including complete plant relocations
- ▶ Process pipe installations (carbon, stainless, alloy, HPVC, PVC)
- ▶ Sanitary stainless piping
- ▶ Hot oil systems
- ▶ ASME Engineering and calculations
- ▶ Silo and elevator installation and repair
- ▶ Dust collection and ducting installation and repairs
- ▶ Complete AWWA and API tank repairs
- ▶ Tank, silo and hopper fabrications
- ▶ Structural steel installation of support structures, platforms, stairs etc.
- ▶ Plant maintenance and support
- ▶ Project management
- ▶ Industrial coatings

Chandler Arizona Shop Capabilities

- ▶ Complete fabrication facility
- ▶ Structural steel (carbon and stainless)
- ▶ Pre-fab process and boiler piping
- ▶ Shearing
- ▶ Breaking
- ▶ Rolling (tube and plate)
- ▶ Cutting (plasma and saw)

Boiler Specific Capabilities

- ▶ National Board Certified for welding repairs and re-tubes (R-Stamp)
- ▶ Tube repairs, replacement and rolling 1.5-3" tubes
- ▶ Boiler stack analyzing with boiler tuning (without printout)
- ▶ Fire-Eye and Honeywell control troubleshooting
- ▶ Low water cut-offs rebuild and replacements
- ▶ Complete welding and cutout on leaking pressure vessels
- ▶ Stack replacements including removal and repairs
- ▶ Engineering and alterations
- ▶ Natural gas, steam and water piping
- ▶ De-aerators and feed water systems and tanks
- ▶ Boiler cleaning and refractory repair and replacement services
- ▶ Inspection, testing and certification

Revolution Owned Mobile Equipment

- ▶ Carry Deck Cranes 9 and 15 Ton
- ▶ Semi tractor trailer including wren tail double drop trailer
- ▶ Forklifts including 20K industrial and 8K reach
- ▶ 7-Ton truck and trailer rig
- ▶ Wide variety of rigging equipment
- ▶ Plasma

Memberships and Affiliations

- ▶ AWS – American Welding Society
- ▶ National Board Certified Welders
- ▶ ASME Qualified
- ▶ ISNetwork "A" Rating
- ▶ MSHA and OSHA Trained
- ▶ Hartford Steam Boiler (certified AI)

Revolution Industrial provides structural steel, repair and or replacement of processing equipment, piping, plant relocation, engineering, technical maintenance and support for mining, aerospace, foundry, meat packing, boiler repair and replacement, grain processing, agriculture, oil and gas, dairy, chemical, petroleum, power generation, municipal water treatment and pulp/paper industries.

Revolution Industrial, LLC.
6633 West Willis Road #5052
