STRUCTURAL, a Structural Group company, is widely recognized as the industry leader in concrete and structural repair. With a reputation for quality, safety, client satisfaction, and efficient project delivery, STRUCTURAL has been called upon to help solve some of the most challenging issues with industrial and power infrastructure.

By integrating engineered products and technology-driven solutions from STRUCTURAL TECHNOLOGIES, a Structural Group company, into a wide range of specialty contracting and maintenance services, clients benefit from turnkey, value-added solutions.

STRUCTURAL, working closely with clients, carefully coordinates and plans each project to minimize disruption to ongoing business operations. A commitment to Safety 24/7 helps to deliver quality craftsmanship while ensuring that every project is completed promptly, safely, and within budget requirements.

Work crews from 2 to 200+ trained in the safety requirements and repair techniques for each project, and dispatched from locations nationwide, are available to work around the clock, 365 days a year, to safely complete projects under the tightest schedules and in the toughest working conditions.
