

# Statement of Qualifications

Yellow Jacket Drilling Services, LLC (YJD) has built its reputation as being a premier provider of high quality, safe, and cost effective drilling services. YJD's corporate office is located in Phoenix, Arizona. The projects that we service are supported from offices located in Arizona, California, Oregon, and Colorado.

## Services

YJD specializes in, but is not limited to, providing drilling services to the Environmental, Geotechnical, Mining, Water Supply and Energy market sectors. Some of our available drilling methodologies include: Flooded Reverse Circulation, Dual Tube Reverse Circulation, Dual Rotary, Mud Rotary, Air Rotary, Air Rotary Casing Hammer (ARCH), Air Rotary Casing Advancement (STRATEX), Sonic, Hollow Stem Auger, Direct Push, Conventional & Wireline Coring, Air Knife / Utility Clearance, Well Abandonment, and Well Service (Development/Pump Installations).

## Capacities

Our diverse fleet of equipment includes numerous rigs capable of many different configurations, including multiple DPT, Hollow Stem Auger, Sonic, and varying Rotary rigs with capacities up to 225,000 lbs. With our fleet, we have the capability to do everything from drilling in excess of 200' with hollow stem auger to drilling well beyond 2000' with varying rotary techniques. Specialized equipment such as mini track mounted units allow us to drill in some of the most challenging settings such as under a service station canopy, inside of buildings, on barges, etc. Also, our full size track mounted equipment can get us in some of the most remote locations where standard equipment just can't get to. Our fleet is maintained by a thorough preventive maintenance program that enables us to operate at peak performance, ensuring your project stays on schedule.

## Safety

Safety is our number one priority and all YJD employees maintain numerous industry certifications including: 40-hour OSHA, MSHA, and Smith Defensive Driving, as well as certification and participation in multiple safety programs such as API and LPS. Annual refreshers and medical monitoring are mandatory, as well as daily tailgate and all hands monthly safety meetings. We believe that our EMR rating over the last few years is reflective of our efforts. (2021: .63, 2020: .63, 2019: .63)
